# News from PBSO District 9

A friendly reminder from the Palm Beach County Sheriff's Office:

- When making a right or left turn make sure the path is clear of pedestrians. Do not obstruct the crosswalk. Failure to do so may result in a fine between \$116.00 or \$166.00 depending on the circumstance.
- Be mindful of your speed. If you are caught traveling over the 20 mile per hour limit through a school zone you could face fines in excess of \$600.00.
- Before making a right turn on a red light, come to a complete stop and check for oncoming traffic or pedestrians.
- Give yourself extra travel time when commuting during school drop off and pick up times.

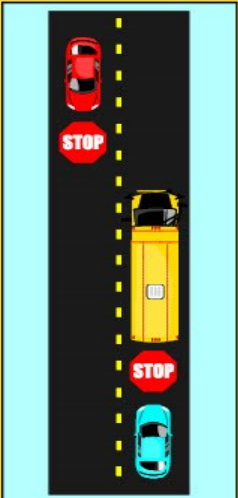

*Lets work together to help keep the students safe throughout the school year.*
