News from PBSO District 9

DON'T DRIVE DISTRACTED - Stay Focused, Stay Safe!

Every time you get behind the wheel it is your responsibility to drive safely. Distracted driving, whether it involves using your phone, eating, adjusting your navigation system, or simply getting lost in thought, is a major hazard. It only takes a moment of distraction to change lives forever.

REMEMBER:

- **Put the Phone Down:** Texts and calls can wait
- **Set Before You Go:** Adjust your GPS before you start driving
- **Keep Your Eyes on the Road:** Resist the temptation to look at anything not related to driving

Speak Up: If you're a passenger, be a co-pilot, not a distraction

Let's commit to keeping our roads safe by keeping our full attention on driving. Your vigilance can save lives!

DRIVE AWARE, ARRIVE ALIVE!

Homeowners Guide

We are excited to introduce our new Homeowners Guide, designed to help you navigate the complex process of home renovations, repairs, and additions. This guide offers valuable tips to ensure that your home improvements are completed safely and sustainably, helping you protect your family's quality of life and your investment. Whether you're buying, selling, or renovating, this resource will help you avoid common pitfalls, like dealing with unresponsive contractors or managing open permits. It's essential to stay informed and prepared, especially since Florida law holds homeowners responsible for all property improvements, even those made before your ownership.
