- Considerable knowledge of safety hazards and applicable safety precautions.
- Skill in the use of common hand tools and mechanical equipment.
- Skill in heavy manual labor for extended periods of time under varying weather conditions.
- Ability to understand, follow and implement oral and written instructions.
- Ability to establish and maintain effective working relationships with other employees, and the general public.
- Completion of NIMS Training as required

SPECIAL REQUIREMENTS:

- Valid Florida State driver's license, or ability to obtain one by date of hire; No more than two moving violations within a 12 month period; No more than six violation points on your license within a 24 month period.
- CDL, or ability to obtain one.
- Certified Playground Inspector or ability to obtain certification

- For Irrigation and Spray specializations – Ability to complete class or course work in Irrigation; License for Public Pest Control and Public Applicator through the Dept of Agriculture and Consumer services within eighteen months of hire.
- Some experience in the operation and routine maintenance of moderately heavy equipment;
- Some experience in the construction field.

PHYSICAL DEMANDS:

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is regularly required to use hands to manipulate, handle, feel or operate objects, tools, or controls, and reach with hands and arms. The employee is frequently required to stand and walk. The employee is occasionally required to sit, climb, balance, stoop, kneel, crouch, or crawl, and talk or hear.

The employee must frequently lift and/or move up to 50 pounds, occasionally lift and/or move more. Specific vision abilities required by this job include close vision, distant vision, color vision, peripheral vision, depth perception, and ability to adjust focus. In addition, the employee must be able to rotate neck frequently, extend arms overhead frequently, and turn completely around from fixed stance.

TOOLS & EQUIPMENT USED:

Front-end loaders, trucks, tractors, graders, electric and gas powered tools, gradalls, backhoes, and other associated equipment used in the parks structures, facilities and projects.

ENVIRONMENTAL CONDITIONS:

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee regularly works in outside weather conditions, and is frequently exposed to wet and/or humid conditions, toxic or caustic chemicals, fumes or airborne particles, and vibration. The employee frequently works in high, precarious places, and regularly works near moving mechanical parts. The employee is occasionally exposed to risk of electrical shock. The noise level in the work environment is usually loud.

SELECTION GUIDELINES:

Formal application, evaluation of education, training and experience; oral interview and reference check; job related tests and background testing may be required. The Village is a Drug Free Workplace and an Equal Opportunity Employer.

The duties listed above are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to the position.

The job description does not constitute an employment agreement between the employer and employee, and is subject to change by the employer as the needs of the employer and requirements of the job change.
