

AGENDA SUMMARY ITEM

Agenda Item #: C- 10

Agenda Item: Adoption of Resolution 24-32. A resolution of the Village Council of the Village of Royal Palm Beach, Florida, to declare certain personal property owned by the Village to be either surplus to its needs and sold at a publicly-noticed sale or determined to be obsolete, non-serviceable, or beyond economic repair pursuant to and in accordance with the provisions and requirements of Section 2-3 of the Village Code, and authorizing the Village to remove such surplus property when sold or disposed of from the fixed assets of the Village.

Pursuant to Section 2-3 of the Code of Ordinances of the Village of Royal Palm Beach, all property other than real property may be disposed of by any means allowed by law. The Village of Royal Palm Beach is required by Chapter 274, Florida Statutes, to maintain fixed asset records on tangible personal property of a non-consumable nature. Section 274.05, Florida Statutes, provides that a governmental unit may declare as surplus any of its property, which is not otherwise lawfully disposed of, that is obsolete or the continued use of which is uneconomical or inefficient, or which serves no useful function, and provides for a method of disposal of such property. The Village-owned assets identified in Exhibit “A” have been determined by the Finance Director to be surplus assets, providing no operational value to the Village. Section 274.07, Florida Statutes, requires the disposal of property shall be by resolution of the Village Council and recorded in the minutes.

Recommended Action:

Staff recommends that the Village Council approve Resolution 24-32 declaring certain assets as surplus and authorizes those assets to be disposed of from the fixed assets of the Village.
