"It was an absolute pleasure attending the recital. With life the way it is now it was a very good way of allowing the children to continue to grow and experience life as children should. The parents did a wonderful job enabling the children to perform as well as they did under the awesome direction of their teacher Vivia Taylor!"

Deborah Johnson, Online Guest

"I know you teach piano, but I had no idea you also teach voice. Ahsa's Solo was beautiful. I know she has a good voice, but that was great. Enjoyed it? If it hadn't been for you doing it on Zoom I wouldn't have seen and heard my grands recital. Thank you."
